

Kevin, his wife Gabriela, and their daughter Sophia have been residents in Heritage Hills since October of 2014. He is the father of 5 children ranging in age from 8 to 36 and is the proud grandfather of 1 grandson and 3 granddaughters. Kevin is a native of Colorado having grown up in Greenwood Village (formerly Englewood), attended Cherry Creek High School, Colorado School of Mines, and graduating from CU Boulder with a Bachelor of Science degree in Architectural Engineering.

Kevin spent most of his working career in healthcare service, design, and sales. For the past 14 years, he served as Vice President of Sales for STERIS Corporation; a global leader in the healthcare industry. He retired in July 2022 after 32 years with STERIS. He looks forward to spending more time at his church (St. Thomas More Parish), more volunteer hours at Sophia's school (STM Catholic), his daily bike rides on the Bluffs with Gabriela, and extensive DIY home improvement projects in the coming years.

Kevin has served as a board member for the River Glenn and Telemark HOA's in Winter Park, CO as well as serving as President for the Wyoming Healthcare Materials Management Association. He looks forward to serving our Heritage Hills community in the interim board position over the coming 8 months.
